

## NOTICE.

It is very important that I have a complete list of our members who are in the army and navy during the war. While we can hardly hope to reach them with the *Annals*, we may devise a way to keep in touch with them. As it will probably happen that many of them will not see this notice, I request their friends or former teachers to send me their names; it will be better for me to get a name two or three times than not at all.

J. M. ALDRICH,  
*Secretary-Treasurer.*
